CPOECU's Quarterly Newsletter is Going Digital!

Starting October 2016, CPOECU is moving its quarterly newsletter, *Money Matters*, to an electronic format. As a valued credit union member, you can look forward to the many benefits an online newsletter offers, including:

Faster Delivery: Get your newsletter faster than ever before! New issues will be available the first week of each new quarter (January, April, July and October). View and/or print current and archived issues directly from our website at your convenience. Don't have access to a printer? Stop by your nearest branch office, and we'll print a copy for

you on the spot. Or, give us a call to request a mailed or emailed copy.

Cost Savings: Publishing the newsletter online means less paper and printing, which allows us to reinvest those savings in our members in the form of additional products and services.

Environmental Responsibility: Reducing paper is just a small way to show we care about the community and the world we live in.

While this will be the last mailed edition of *Money Matters*, our online newsletter will continue to provide you with the latest news,

educational resources and special offers from CPOECU. Also, be sure to check our website regularly for even more updates. We are excited about the opportunity to stay in touch with our members through an online format and hope you continue to find our electronic newsletters informative.

Visit www.cpoecu.com to view and download all future newsletters.

YOU'RE INVITED!

- How debt impacts your credit score
- How to communicate with creditors
- How to avoid debt problems in the future

This **free** workshop is open to all CPOECU members. Space is limited. For reservations, call 773.881.2500 or stop by one of our two branch offices to sign up. Refreshments will be served. Don't miss it!
