### COVID-19: BRANCH REOPENING PLANS

**We are pleased to announce that our lobbies will reopen for business in mid-June.** No specific date has been set; however, we will provide additional updates once the date is confirmed.

As expected, there will be necessary precautions taken to ensure the safety of our staff and members. Based on the CDC reopening guidelines, plexiglass shields will be placed in all member-facing areas. There will be masks for all staff, and extra disinfecting practices put in place. As the reopening date approaches, we will provide more information on what's to come.

Until then, curbside assistance is still available at our main branch. Or, use audio response and Online Banking for all of your account needs. Should you have any questions, please contact us at 773.881.2500 or [memberservices@cpoecu.com](mailto:memberservices@cpoecu.com).

We look forward to seeing you soon and sincerely thank you for your continued support and patience.
