

CPOECU MONEY MATTERS ♦ APRIL 2021

BE A CREDIT UNION SAVER AND YOUR SAVINGS WILL NEVER GO EXTINCT

April is **National Credit Union Youth Month!** Together, we're encouraging our youngest members to open their own savings account (with a parent or guardian's help), begin a habit of putting money into that account regularly, and learn how compound interest helps their account to grow.

CPOECU looks to be the financial foundation in our youth's life! We can serve as an important ally for parents in their mission to teach their kids to be financially responsible. Providing this kind of support and education from an early age helps kids develop healthy money habits that will last a lifetime.

Start your youth on the path of financial freedom by helping them open a "My Future Savings Account" at CPOECU! The account only requires a \$5 opening deposit, so stop in an office location today. Teach kids to be a Credit Union Saver and watch how their savings will never go extinct!

Any Questions? Stop by a branch to speak with a Member Services Representative or call us for more information at 773-881-2500.

100 ENVELOPE SAVING CHALLENGE

The 100 envelope challenge is an easy money saving challenge. You start with 100 envelopes and write one number from 1-100 on each envelope. You then shuffle the envelopes and place them into a bucket or basket.

Each day you draw an envelope and whatever number you draw, you place that amount of cash inside. Do this for 100 days until the envelopes are filled.

For example, if on day one you draw the number 67 you would deposit \$67 into that envelope and seal it. If on day two you draw the number 3, you'd deposit \$3 into that envelope and seal it and continue this for 100 days.

By the end of the challenge, you will have saved \$5,050!! So begin your savings today!
